

A group of children, mostly girls, are wearing bright yellow t-shirts with the word "ROWAN" printed in orange. They are dancing or performing in a grassy field. In the background, a large crowd of people is watching. The text "2020 ANNUAL REPORT" is overlaid in large white letters.

2020 ANNUAL REPORT

The word "ROWAN" is written in a stylized, colorful font. Each letter is filled with a different vibrant pattern, including geometric shapes and traditional motifs in shades of red, yellow, green, and blue.

2020: A YEAR WE'LL NEVER FORGET

I must admit: as founders Pastor Paul & Edith sat in my Colorado living room in mid-March, I was shaken up as I watched the pandemic updates unfold on the news.

Travel became impossible. Getting home to their family & community was not in their near future. We could only ask God, *"What are Your plans & purposes for this time?"*

Okay... more realistically, *"GOD, HELP!"* And sure enough, He did. They spent nearly five months with my family, & every day was a gift from God. That time brought rest, health, vision, clarity, creativity, purpose, & peace.

Meanwhile, we shifted our budget to feed over 40 villages, provide soap & masks, educate members about COVID, & offer hope during quarantine. Our local staff (the true heroes!) gave everything they had to serve the women & children.

And the best news? Numbers can't lie. As you explore our Annual Report, you'll see how God miraculously provided for His children in the most uncertain of times.

Many of you, our supporters & dedicated partners, stood by us while enduring your own hardships. You are our answered prayers. We dedicate these pages to you, our faithful friends, & to declare that God's goodness & faithfulness is to the end.

With love & gratitude,

KELSEY HARGADINE

Co-Founder & CEO

our purpose

We exist to bring **HOPE** to widows & orphans affected by HIV/AIDS in rural Uganda.

We ensure your generosity reaches & transforms every widow & orphan we serve through Christ-centered programs.

2020 snapshots

february

The ROWAN Bus came right before COVID. Private vehicles were prohibited, but thanks to good relationships with local authorities, we were allowed to distribute food & supplies to 40 villages.

march

When hope felt lost, we used ROWAN merchandise to encourage people, spread ROWAN awareness, & fundraise creatively. We'll keep releasing new designs quarterly!

Pastor Paul & Mama Edith's 4-week U.S. trip turned into 4.5 months. During this time, co-founders refocused & gained clarity while evaluating old programs & dreaming up new ones.

april

During long, quarantined months, we built **THREE** new homes for people in emergency housing situations. We've now built 20 homes over the years to help families in need!

Pastor Paul & Mama Edith received excellent medical care for urgent health issues. Thankfully, their health improved significantly with intervention from specialists!

may

The ROWAN Bus made 3 more essential deliveries, thanks to the generosity of ROWAN supporters.

july

Pastor Paul & Mama Edith flew back to Uganda. Once there, they connected with Ugandan board members (with several new faces!) to get them oriented.

august

Sobering news came that our orphans' schools didn't plan to operate in 2021. Local ROWAN leaders suggested we start our very own Learning Center. Research, planning, & so much prayer began!

november

Fundraising began for the Learning Center, & we were blown away by God's faithfulness & the generosity of our supporters as donations came in. We were fully funded by Christmas & ready to move forward with the Learning Center!

2021 sneak peak:

widow
legacy
program

Pastor Paul & Kelsey evaluated the widow curriculum in the spring & determined to launch a new program! This will replace the previous widow sponsorship model (which had no end date) & transform the widow experience with ROWAN into a 4-year certificate program covering entrepreneurship, financial success, literacy, & life skills.

the
learning
center

Thanks to the generosity of supporters at the end of 2020, we are moving ahead with plans for The Learning Center in the Hall of Hope! We'll use the ROWAN bus to transport students there while making sure they stay on track to graduate & begin careers they love.
